If vessel was to discharge at BFL, there would have been no port charges at all as BFL is beyond Mumbai port's purview for tariff application. Only light dues at Rs.8 per NRT is common for both BFL and alongside berth discharge. However Rs.50,000 would have been incurred extra for tug charges for completing customs inward and outward formalities at BFL i.e. Rs.25,000 per each trip.

Vessel would have taken maximum 7 days at BFL to complete the discharge of 46,918.298 MT bulk peas cargo.

Best regards
 Narayan
